THE CLUB

Walkerville Junior Football Club (WJFC) was established in 1961 and is a successful, welcoming, and well-run club located in Adelaide, South Australia affiliated with SANFL Juniors from season 2017.

WJFC is proud of its standing as one of the stronger junior metropolitan teams. Our WJFC teams have won numerous Grand Finals in the U11 to U15 age groups.

We are very proud of our success and love to see our teams win. But that's not our first priority – the club's philosophy is to create an environment where all players who want to play Australian Rules Football can play at their best, enjoy their football, and have good coaching and mentoring.

The club is open to all players aged seven to fifteen (U8 – U15), and we welcome new recruits (and their parents) in every age group. We also have U10 & U12 teams in the SANFL Juniors girl's competition.

The club is run by a strong, harmonious committee that oversees all aspects of the club, including football operations. The committee works hard to set clear, fair policies and to make sure that they are followed consistently.

Walkerville Oval is conveniently and centrally located on Smith Street, Walkerville. We share the oval with other Walkerville Sporting Clubs (eg cricket) and on rare occasions such as pre-season we may use other local ovals pending availability.

The Club's success is the result of the dedicated work of many people over many years, and we encourage you to get involved and enjoy everything that this great club has to offer.

WHY SPONSOR?

The WJFC made to transition to SANFL Juniors in 2017 which gives our players and club more exposure across Adelaide. With over 400 families involved, the WJFC remain one of the biggest and most professional junior clubs in South Australia and we are well-regarded for team success and the development of players.

There's no doubt that our success and ongoing operation as a club could not be achieved without the dedicated support of our sponsors. It is largely through this support that we are able to minimise registration fees relative to other clubs and other codes of sport. We are strongly committed to the community we operate within and we are proud to promote those who support us.
