

Under 7 to Under 11 - Boys and Girls (non premiership grades)

Walkerville Junior Football Club has decided, within the limits of duty of care, comfort, ability and confidence that each player will be given the opportunity to rotate around the ground over the season (not necessarily within each game). This will provide players the understanding of each position.

Team Managers and Coaches will create and maintain a roster by week 4 (four) showing players rostered in different positions including interchange throughout the season. This means to the best of their ability coaches will roster players so that each player has the opportunity to play equal games throughout the year with equal game time. Coaches will be required to share this information with the Football Sub-Committee, should it be requested.

Under 12 to Under 15 - Boys and Girls (premiership grades)

WJFC has decided that all players registered in the squad will get equal opportunities for game time and games played over the season. Please note that if a player is unavailable (for example where a player is sick or absent) these missed games may not be replaced.

Team Managers and Coaches will create and maintain a roster by week 4 (four) showing players rostered off throughout the season. Coaches will be required to share this information with the Football Sub - Committee should it be requested.

To the best of their ability coaches will roster players so that each player has the opportunity to play equal games throughout the season with equal game time, however Coaches are also required to field a competitive side. If fit and available, every player should be expected to play a minimum of 75% of games (rounded down to the nearest game). So if the player is available for all 14 games in the season, then they can expect to play at least 10 games.

During finals the WJFC Committee has agreed that coaches can base team selection on fielding the best available team.

The Club appreciates that there may be extenuating circumstances and that some players may wish to be in a particular team. Such requests should be made through the Coaches and Team Managers of the respective teams in accordance with the Club conflict resolution policy.
